Dear Honorable Senator,

BikePAC of Idaho, Inc. offers congratulations on your election victory and welcomes you to the *1st Regular Session of the 59th Idaho Legislature*. Many of our members look forward to meeting and speaking with you during this upcoming session.

We represent a broad spectrum of motorcyclists and enthusiasts throughout Idaho and work toward keeping them informed and up to date regarding pertinent issues that affect motorcyclist's rights, motorcycling as a sport, mode of transportation or recreational use. Many of our members have been involved in working with legislators since 1989 in Idaho and just last session participated in the successful introduction and passage of *Senate Bill 1367*, sponsored by *Senator Jorgensen*, for the benefit of motorcyclists.

Our focus is on protecting and preserving the *rights* motorcyclists currently enjoy and supporting legislation that benefits all motorcyclists. We will work to encourage training for both new and experienced riders, initiate motorcycle awareness programs, both for motorcyclists and the driving public and strive to implement our motorcycle awareness presentations at the driver's education classes with participating high schools throughout Idaho.

Idaho had approximately 60,000 registered motorcycles in 2005, according to statistics from the *Idaho Transportation Department* and in a report from the *MIC Motorcycle Industry Council*, Idaho is in the *top five* per capita nationwide in motorcycles owned. BikePAC of Idaho's efforts for safety and awareness programs along with supporting *common sense legislation* will go a long way to prevent accidents and serious injuries.

We wish you a successful, timely and productive legislative session and sincerely thank you for your dedication and service to all the citizens of Idaho.

Respectfully,

Tim Herzog tim@bikepacofidaho.org
