*Dedicated to the Pursuit and Preservation of Liberty*

January 10, 2008

Dear Honorable Senator,

Now that the *2008 Idaho Legislative Session* has begun, *BikePAC of Idaho, Inc.* welcomes you back to represent its citizens. Many of our members look forward to meeting and speaking with you soon and a visit to the Capitol this session is likely.

We represent a broad spectrum of motorcycle enthusiasts throughout Idaho and keep them informed and up to date on pertinent issues that affect motorcyclist's rights, motorcycling as a sport, mode of transportation or recreational use. Our members have been involved in working with legislators since 1989 in Idaho and participated in the successful introduction and passage of *Senate Bill 1367* in the 2006 session. That bill addressed the problem with spotlight signalization as it pertained to motorcycles and we are proud of and thank the legislators that voted for this *common sense solution*.

*BikePAC of Idaho, Inc.* is focused on *protecting and preserving* the rights motorcyclists currently enjoy and supporting beneficial legislation for all motorcyclists. We encourage training for both new and experienced riders, initiate motorcycle awareness programs, both for motorcyclists and the driving public and strive to implement our motorcycle awareness presentations at the driver's education classes with participating high schools throughout Idaho.

Idaho had approximately 60,000 registered motorcycles in 2005, according to statistics from the *Idaho Transportation Department* and in a report from the *MIC Motorcycle Industry Council*, Idaho is in the *top five* per capita nationwide in motorcycles owned.

We wish you a successful and productive legislative session in your tighter quarters and sincerely thank you for your dedication and service to all the citizens of Idaho.

Respectfully,

*Tim Herzog*
