Trip to Boise during 2008 Legislative Session being planned... And, Welcome!

BikePAC of Idaho Members and Friends,

Work is currently underway to put together a trip to visit with the 2008 Idaho Legislature. It is likely that the trip will happen sometime the first of February. It appears that there will be *BPI* Board members from different parts of the state meeting in Boise to discuss motorcycle related issues with our legislators and perhaps meeting with the transportation committee members if possible.

As is our tradition, *BPI* recently sent a letter to all Idaho Representatives, Senators and Governor Otter with the hopes this year of following it up with a visit. The PDF copy of this letter can be found on the *BPI* web site on the *Document Archives* page under *Legislative* entitled *2008 BPI Idaho Legislature letter*. Or, enter the following link into your web browser to read the PDF version:

<http://bikepacofidaho.org/documents/2008%20%20Dear%20Senator.pdf>

If you are interested or know of someone who might be interested in making this important trip to Boise or wish to kept in the loop about the details please contact either Tim or Butch *very soon*. Contact information for both is listed below.

Also, it is with great pleasure that *BPI* announces the addition of Hells Canyon Chapter and St. Joe Chapter of ABATE as *BikePAC of Idaho* Sponsors. We certainly appreciate their support and look forward to working along side them in the interest of Idaho motorcyclists. Welcome aboard!

WILLIE STEPHENSON
